Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the City of Paterson's Great Falls Pedestrian Bridge project in fiscal year 2024. The entity to receive funding for this project is the City of Paterson, located at 155 Market Street, Paterson, New Jersey, 07505. The funding would be used for the construction of a pedestrian and bicycle bridge connecting both sides of the Passaic River within the Paterson Great Falls National Historical Park. The project is an appropriate use of taxpayer funds because it will benefit the City's underserved residents and help revitalize the Great Falls area to grow tourism potential and support long-term economic development goals. The project has a Federal nexus because the funding provided is for purposes authorized under 42 U.S.C. 5305(a)(2). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Bill Pascrell Jr". The signature is fluid and cursive, with the "Jr" written in a smaller, more compact style.
